Attention: Dr. David Erdahl
Branch Chief, AADAP Program
4050 Bridger Canyon Road
Bozeman, MT 59715

Dear Dr. Erdahl:

We acknowledge receipt of your submission on behalf of the U.S. Fish and Wildlife Service dated August 13, 2008, regarding the establishment of a Public Master File (PMF) for the use of oxytetracycline in fish.

The submission has been assigned Public Master File number **PMF 005-927**. The submission will be retained in our files and be reviewed when referenced by you in support of a new animal drug application.

Please refer to this number when submitting any future correspondence pertaining to the above subject matter.

This is not an approval letter.

Sincerely,

Daniel Williams
Technical Information Specialist
Center for Veterinary Medicine
